

*Get Off the Phone...Get On the Net!*

News & Announcements -----

**>> Netcord Celebrates 10th Birthday!**

Hard to believe it has been 10 wonderful years since we first asked Atlanta tennis players to "Get off the phone, Get on the net." We would like to take this opportunity to thank all of our loyal supporters who keep us growing by spreading the Netcord word. Our tenth anniversary coincides with the creation of Netcord 4.0 which we expect to take live this summer. We continue to listen to suggestions provided by you our users and hope to unveil a product that is a culmination of everything desired. Netcord was the first team management service launched in metro-Atlanta and it is our goal to continue to be the best.

We encourage you take full advantage of everything we offer including [Netcord TV](#) and our new social networking site, [The Netcord Nation](#). We would also like to thank our partners at T2 Tennis, Clear Choice Communications and Shane's Rib Shack for their part in allowing Netcord to be the one stop tennis web-portal we are today.

Happy Anniversary and here's to 10 more, Cheers!

**>> Record Number of Team Signups this Spring Season**

We had another record number of teams signup for this current spring season. Chalk it up to a great team management service and everyone itching to get out and play tennis after the winter months. Teams are also already signing up for summer season, and if you are ready, you can too. [Sign up your team](#)

**>>VolleyFest and The Sport of Giving**

VolleyFest is the cornerstone of The Sport of Giving, which also includes SwingFest and RunFest. Each spring, hundreds of participants gather for friendly tennis competition, breast health education and inspiration from speakers who are breast cancer survivors. This event is about neighborhoods banding together to make a difference in their community by combining time, effort and resources with the sport of tennis to make an even bigger difference!
